Wow has time flown by! I can hardly believe the summer is upon us, although the EARLY hot weather has given us summer well before the summer solstice!

Lynn Speier: Lynn has been playing tennis for over 40 years, beginning in California's San Fernando Valley and played in the LA tennis League in the Valley for a number of years. She moved to Thousand Oaks, where she purchased the tennis shop at the T.O. Racquet club and was responsible for running the 10 courts there. The club hosted an annual USTA Jr. Tournament there. While at the Racquet club, she played in 3 tennis league. After moving to Texas she was in semi-retirement from tennis until she once again got the tennis bug and became involved in the Brownsville and Harlingen USTA 4.0 leagues. Their teams had some success as for three years they moved on to the USTA Sectionals in Dallas. Lynn has been a Fredericksburg resident since 2010. She mostly plays in Kerrville but would love to have a USTA league in Fredericksburg.

CENTENNIAL BANK CHALLENGER

In keeping with Fredericksburg's long-standing tradition of being a strong tennis community, the FTA hosted its first-ever USTA-sanctioned junior tennis tournament, the Centennial Bank Fredericksburg Challenger June 9 and 10. The tournament attracted 266 junior tennis competitors. It was a huge effort to host this tournament but we had a lot of help from the community and FTA volunteers! In addition to the tournament's title sponsor Centennial Bank other local businesses and individuals sponsored the tournament and the FTA including Texas Oncology, Culligan Water, HCM Immediate Care Clinic, Julie & Chuck Alvarez, Linda Kager, Fredericksburg Physical Therapy, Prescription Laboratory, First United Bank, Fredericksburg Medical Equipment, Mustard Design, Orthodontist Robert Bourquein, Edward Jones, Lowe's Kerrville, Pint & Plow and Burger Burger. The FTA greatly appreciates these generous contributions that help support our initiatives to keep our community youth healthy and engaged in tennis activities and opportunities. On Sunday, Centennial Bank local branch president Carlin Friar and his wife, Susan, were at the courts to congratulate the winners of each age division and hand out trophies.

Congratulations to all the tournament participants. Here are the winners and runners up for each division. Special congratulations to hometown division winner **Noah DeLeon** and division runner ups **Avery Stephens** and **Bella Rodriguez!**
